This Certificate is valid in any European Economic Area Member State.

This Report has been issued by **HPI Verification Services Ltd** which is a body notified to the European Commission according to the provisions of the Pressure Equipment Directive (Notified Body number 1521).

This Report is issued following the assessment of the documentation and implementation of the Quality System in accordance with the provisions of the quoted Conformity Assessment Module of the above directive. The CE Mark may be affixed to the Pressure Equipment within the scope of approval as described above once the EU 'declaration of conformity' has been signed by the responsible person. The number '1521', being HPI Verification Services Notified Body number should also be placed on the equipment dataplate.
